The Austrian Association of Critical Geographers (ÖAKG), an independent organization founded in 1974 by students to promote radical geography in German-speaking countries, publishes an occasional paper series on topics that include: Feminist geography, nationalism and ethnicity, disciplinary history, and the People's Republic of Angola. The Association has few assets and thus asks Antipode readers to send books, off-prints and papers to be reviewed in ÖAKG publications. Please send materials and requests for occasional publications to ÖAKG, c/o Reinhard Zeilinger, Brestelgasse 3/15, A-1160, Vienna.
